D RFID 3 33

T FA: Family ID Number for this month

Family ID number may be used to identify
all persons in the same family in a given
month. This ID is used for primary
families, unrelated subfamilies, and
primary and secondary individuals.
Persons in related subfamilies have the
primary family ID in this field.

U All persons

V 1:120 .Family ID number

D RFID2 3 36

DATA SIZE BEGIN

T FA: Family ID excluding related subfamily members

Family ID number excluding members of related subfamilies. This ID is used for all persons except related subfamily members.

D EREBATE	2	867
T TXR:		Tax rebate received yes or no
		TAXREB01 Earlier this year the Federal Government approved an economic stimulus package. This year, many households will receive a one-time economic stimulus payment, either by check or direct deposit. This is also called a tax rebate and is different from a refund on your annual income taxes. Since the first of April, 2008, have you received a federal tax rebate (Economic Stimulus Payment)?
